Dear Sir/Madam:

It has come to my attention that large entity fee payments were withdrawn from our Deposit Account No. 502092 relative to prosecution related paperwork that we recently filed for the applications as listed below. At this time I would like to request a credit of the difference between the large and small entity fees that were charged, since the Assignee of record, as a company, is entitled to small entity fee payments.

- ~~X~~ • U.S. Application Serial No. 09/927,824
Docket No. GTC-45
Petition for Extension of Time Under 37 CFR 1.136(a) was filed on May 19, 2003 requesting a three month extension of time. The small entity fee is ~~\$465~~ our Deposit Account was charged \$930.
- U.S. Application Serial No. 09/571,116
Docket No. GTC-35
Request for Continued Examination Transmittal was filed on July 3, 2003 to include the RCE small entity fee of \$375 (deposit account was charged \$750) as well as an *Extension for Response within the Fifth Month* small entity fee of \$985 (deposit account was charged \$1,970)

Thank you for your attention to this matter and should you have any questions or concerns relative to the above, please do not hesitate to contact me at #(508) 370-5150.

Regards,
